

Mohamed N. Mohamed

Louisville, KY | nnashaz2003@gmail.com | 502-999-1472 | [Linkedin](#)

OBJECTIVE

Seeking an internship to gain hands-on experience, enhance my technical skills, and contribute to impactful projects in a collaborative environment.

EDUCATION

J.B. Speed School of Engineering, University Of Louisville,
B.A in Computer Science

Louisville, Ky
(Expected May 2026)

- Cumulative GPA 3.85

Associate of Science

Jefferson Technical & Community College,

Louisville, Ky
(December 2024)

- Cumulative GPA: 3.38

PROJECTS

Independent Projects:

- **Web Scraping Project** – Developed a web scraping tool using Python and Kali Linux to extract and analyze URLs. Learned and implemented techniques through online resources, including YouTube, Google, and AI tools.
- **Cemetery Search Application** – Currently collaborating on the development of a web application for searching burial records by name, displaying grave plot identifiers and dates of death. Implementing CRUD functionality with admin access for data management and ensuring a mobile friendly design.
- **Masjid Website Project** – Planning to fix and enhance the website for the masjid. Committed to diving deeper into Python coding to develop the necessary skills for this project.

EXPERIENCE

Home Depot

Louisville, Ky
(April 2023-present)

Customer service/paint

- Assisted customers with product inquiries, purchases, and returns, ensuring a positive shopping experience.
- Maintained inventory and organized merchandise to improve accessibility and presentation.
- Used good communication skills to provide excellent customer service.
- Utilized technology to look up product information and manage inventory effectively.

Pharmacist Helpdesk

Louisville, Ky
(August 2021-June 2022)

- Provided medication management and health advice during the COVID-19 pandemic.
- Ensured patients received their vaccinations for travel and other health needs.
- Entered and tracked patient information and vaccination records in the computer system.
- Educated the community on COVID-19 safety measures and vaccination options.

ACTIVITIES/HONORS

- **Young Muslim Leadership-** Engaged young people by organizing activities and events, facilitating community-building initiatives, and promoting teamwork through food and social gatherings. **(August 2022- present)**
- **Volunteer, Community Group Member - Muhsining** - Supported the Muslim community by helping people in need and contributing to various projects aimed at improving community welfare. **(November 2024-present)**
